YEA CAMP
A SUMMER CAMP FOR SOCIAL CHANGE

LIFE-CHANGING CAMP FOR WORLD-CHANGING TEENS
Since 2009, Youth Empowered Action (YEA) Camp has been running overnight camps to help aspiring youth activists get started or get serious about making a bigger difference in the world.

YEA CAMP FOR ADULTS
Recognizing the need for adults to get training and support to take action on the social justice causes they care about, we launched YEA Camp for Adults in 2018.

VIRTUAL YEA CAMP
In 2020 and 2021, due to the Covid pandemic, YEA Camp pivoted and began offering virtual camps that have trained more than 200 campers in ways we never have before.

WHAT'S NEXT
- In-person camp in 2022
- Virtual Winter Camp
- New online programming to reach youth and adults in innovative ways
- Continuing to support campers in their activism, such as running school clubs, launching campaigns, changing school policies, + lots more!
